# WELCOME TO NOLANFEST 2024!

The Nolan Gibbons Memorial Fund (NGMF) presents NolanFest as a heartfelt gift to the public—a day filled with music, laughter, and shared creativity. This event joyously celebrates music and brings together emerging artists to foster a unified community spirit.

Thanks to the unwavering support of so many, this year the NGMF proudly awarded \$22,000 worth of scholarships and grants to 13 talented emerging artists from around the globe! Past recipients have used the grant money to purchase laptops, instruments, software, and production equipment, take classes, and attend camps or other music workshops.

But, the NGMF is more than a financial support system; we aim to cultivate a profound sense of connection and belonging, by fostering passion. To our recipients, these grants are a message of encouragement to keep going, keep creating, and keep sharing yourself with the world! Because everyone likes to be themselves. And the world needs you!

To all our sponsors, donors, and volunteers, we extend our deepest gratitude. Your generosity and dedication make NolanFest possible, and we are profoundly thankful for your continued support.

NolanFest WOULD NOT HAPPEN without our amazing team! They volunteer their time, energy, and expertise. Thank you for your tireless efforts and passion! We owe this day entirely to you:

*Corey Cadigan, Laura Carrillo, Rebecca Donald, John McElroy,  
Patti Arenstam Modzelewski, and Miranda Prescott*

As you enjoy tonight's festivities, we invite you to sing along, cheer for our performers, indulge in delicious food, explore our raffle treasures, support our talented artists, and perhaps take home a piece of NolanFest by visiting our merch table—all in support of the NGMF.

Your presence here today fills our hearts with gratitude. Together, we honor Nolan's memory and ensure his legacy continues to inspire and uplift us all.

With love and appreciation,  
**Warren and Sheila Gibbons**
